Lipslide is a display typeface originally designed for the skateboard book City Triptych - Year book DPY Vol 3. A one-style headline typeface made of heavy blocks, thin punctuation and symbols, Lipslide has shapes reminiscent of skateboarding obstacles. The radical design decisions of its letters make Lipslide an ideal typeface for logotypes, in a throwback to 1970s storefronts.

City Hall MRT station is an underground Singapore Mass Rapid Transit (MRT) interchange station on the North-South line (NSL) and East-West line (EWL). Situated in the Downtown Core district, it is underneath Stamford Road near the road junctions with North Bridge Road and St Andrew's Road. The station is near landmarks such as the former City Hall, Raffles City, the Padang, St Andrew's Cathedral and the Cenotaph. Initially named St Andrew's MRT station, the station was included in the early plans for the original MRT network in 1982. Construction of the tunnels between the City Hall and Raffles Place sta
